Kevin,

I'm so sorry, I am working with another case number that is very similar to this and had a dyslexic moment. My first request was correct for case DAS R35752.

Please accept my sincerest apologies!

Hello Kevin,

My apologies, I had a typo in my request, this should have been DAS R35755 (not R35752) for Shiloh Church.

Thank you,

Good Afternoon Kevin,

Would it be possible to add 1 more drinking water sample for metals analysis to Shiloh Church case DAS R35752?
